Summary

A React Native mobile application developer with a strong foundation achieved through self-learning over 1 year+. I have a strong interest in building efficient, user-friendly, and scalable mobile applications using modern technologies such as Firebase and MongoDB. I am continuously learning and improving my skills to develop high-quality mobile solutions.

Experience

Self-Taught Developer

Mobile Application Developer

Oct 2024 - Present

- Developed reusable components and clean user interfaces.
- Integrated Firebase (Firestore) for backend data management.
- Created apps including University Management, Student management app, and E-commerce applications.

Bucheri Tuition Teacher

Programming Teacher (JavaScript, c, Python)

Apr 2025 - Present

- Taught programming fundamentals including JavaScript, C, and Python to students.
- Helped students understand core concepts such as logic building, variables, loops, and functions.

Education

Shaheed Benazir Bhutto University Shaheed Benazir Abad

Jan 2021 – Jan 2025

Bachelor's in Information Technology

Govt: Higher Secondary School Bucheri (Nawabshah)

Apr 2017 - May 2019

Intermediate

Projects

E-Commerce App with Admin Panel
